(You can use this tools to unrar) Extract the files: rar x folder To get the free software: yum install unrar unrar e folder Then extract the data with the commands in this answer. There are different ways to extract the data from the rar archives. If the extension is.rar then the archiver extracts as a rar archive. So just do: unrar x folder And for more info on extract archives see this page in man. The Top 25 Democratic Candidates To Watch In The Democratic Presidential Race Candidates for president should not simply talk about issues but should treat the nation's growing racial and political divide like a business problem. (AP) The Democratic Primary is entering the homestretch. With only a few months remaining before the November elections, a handful of Democratic candidates will face off in more than 20 primary-to-primaries, primaries-to-primaries. The candidates running for president will have to master the harsh realities of a primary season. And they will have to be ready for a class of Democrats who have been on the hustings for far longer than most. They will have to overcome the political mistakes they have made and present themselves as serious contenders. And they will have to be ready for a newfound enthusiasm among younger voters and devotees of online political engagement. The majority of the Democratic presidential candidates are now at least two years into their political careers. And now, voters have a real choice when they pick a candidate in November. Here are the most notable Democratic candidates: Hillary Clinton The former secretary of state is the front- 3da54e8ca3
